

Executive Pay

Under the Academies financial handbook, para 2.32 the Trust is required to publish details of executive pay as follows:

“2.32 The trust must publish on its website in a separate readily accessible form the number of employees whose benefits exceeded £100k, in £10k bandings, as an extract from the disclosure in its financial statements for the previous year ended 31 August. Benefits for this purpose include salary, other taxable benefits and termination payments, but not the trust’s own pension costs. In the case of employees who are trustees, their salary and other benefits will also be disclosed in £5k bandings in the trust’s financial statements, as set out in the model trustees’ remuneration note in the Academies Accounts Direction.”

We can confirm for the year ended 31 August 2020 that no members of staff received benefits in excess of £100k as defined above.
