26th November, 2024.

Hello, Parish,

My name is Katantazi Jackson. I was born on 26th January 2011. This year I am 13 years old and I live in Makindye. My favourite colour is purple. All kinds of food are my favourite especially rice. I finished my PLE exams in November 2024. Next year I am going in Secondary. I would like to know when are you going to visit me? What is your favourite colour, food and what do you like to do in your free time? For me I like watching television all the time after finishing all the house chores. I expect a first grade in PLE because the papers were too easy for me mostly Mathematics and English. Thank you for supporting me in my education from Primary Six thank you so much. Since I started writing letters, you have not been ~~an~~ replying to mine, why? By the way how is your family? Do you have children? Send me some of your pictures. I will inform you my results in PLE when they come back in January 2025.

You read in Psalms 86:28

MAY GOD PROTECT YOU

I wish you a happy Christmas

Yours sincerely,

Katantazi Jackson.
